BARRHILL COMMUNITY INTEREST COMPANY

Message from the Chairman

Please attend this year's Barrhill Community Interest Company's Annual General Meeting - taking place on Wednesday 23rd August 2017 in the Barrhill Memorial Hall. BCIC members will also be receiving a full copy of the Annual Accounts, so they can review this document at home and raise questions at the AGM. Only 13 residents attended last year's meeting, and as there are over 147 members of the BCIC registered, this turnout was extremely disappointing. Remember! You do not have to be a member of the BCIC to attend—each and every resident of the village is welcome.

Make a note in your diary NOW to come along and air your views, hear about the exciting new projects in the pipeline and take part in shaping Barrhill's future.

Why not consider standing as a BCIC Director? Nominations for new directors open on the 18th July and close on the 8th of August—nomination forms will be sent out to all BCIC Members in due course, but if you'd like one now please contact any BCIC Director.

BCIC BOARD NEWS—TWO DIRECTORS RESIGN

The BCIC was very sorry to accept resignations from Angela Blackstock, BCIC Director & Board Secretary and Euan Allan, BCIC Director.

The Board would like to thank Angela for all her efforts during the past three years, with specific reference to the Winter Fuel Payments and overseeing the BCIC Membership Database. The Board noticed and appreciated your attention to detail and we were proud to have you as part of our team—thank you and good luck Angela.

Please note that all BCIC Members will shortly be receiving Directors' Nomination Forms and we strongly urge you to consider joining the BCIC Board. We need to keep the BCIC going. Your voice can impact the choices made about your village. Every decision made by the BCIC Board is driven by the wants and needs of the community. Only with your help can we make the RIGHT decisions.

New access to Martyrs' Tomb—thanks to the BCIC

Over the course of the winter season work has been taking place on creating a brand new access route to the historic Martyrs' Tomb.

Now residents and visitors to our historic landmark can enjoy a scenic and easily accessible walk, clearly signposted off Station Road, following the banks of Cross Water.

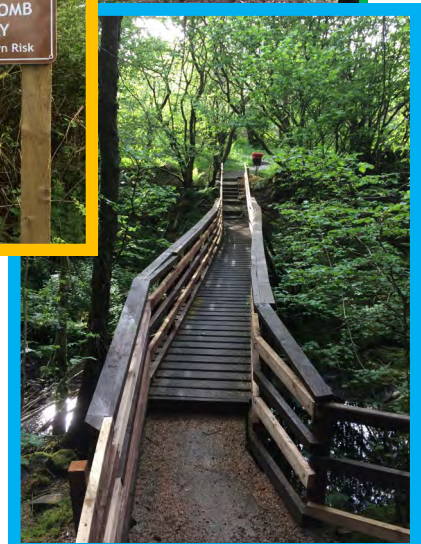

The work on the new 'Martyrs' Tomb Walk' was kindly undertaken by David Blackstock on behalf of the BCIC. We hope you agree this new access is just what the village needed. Get out and about and explore—a treat awaits.

Bringing Fibre broadband to Barrhill

Did you know that hundreds of communities are already benefiting from superfast broadband via partnering with BT?

The BT Community Fibre Partnership Scheme is designed and committed to working with communities to find a fibre solution. If a village isn't covered in an existing fibre upgrade plan, BT will help find a solution to bring fibre to that area. There usually needs to be a joint funding arrangement, where BT cover the costs in line with their commercial model used throughout the country and the community has the option to self-fund the remaining gap. Do you think this would be money well spent for your village? If so, come along to the AGM to discuss this important issue.

Successful Tree Planting at Arnsheen Park

Planting trees is one of the easiest and most sustainable ways to positively affect the environment and that's why, with Barrhill's younger generation taking the lead, a tree-planting day took place at Arnsheen Park in February. Despite the overcast and drizzly day there was a good turnout to support this worthy event.

The BCIC are proud to be supporting the Ayrshire Rivers Trust's Carrick Education Project with the establishment of woodland on the banks of the Duisik River, running through Arnsheen Park. This means that this magnificent local Park will be even more enhanced by the natural beauty of native species of trees for generations to come. Please join us in thanking each and every person who turned out to take part. More planting will be taking place in the winter of 2017—so we will be asking for more volunteers nearer the time.

Shameful behavior of some dog owners

Dog fouling is not only deeply unpleasant, it is dangerous. On behalf of the community, who voted and AGREED to make Arnsheen Park 'dog free' - we respectfully request all dog owners refrain from taking dogs into the Park.

Yet again, we have been told of dogs entering and fouling the Park. We take picking up after our dogs very seriously in Barrhill. Everyone is held accountable for picking up after their pets and we, as a community, help enforce this policy. If this issue remains a problem, owners allowing this to happen could face a fine and no-one wants it to come to that. Arnsheen Park is used by old and young alike—and whilst rare, contact with dog excrement can cause toxocariasis—a nasty infection. Keep our Park safe and secure—no dogs please.

This subject will be discussed
at this year's AGM

The BCIC is a voluntary organisation, run by local residents to act on behalf of Barrhill. The Board of Directors is comprised of people who care about our community and want to make it a better place to live.

The BCIC tries to bring local people together to help make things happen, and tries to protect and promote the identity of our community.

However, its easy to say 'its not my child, not my community, not my world, not my problem' - but the fact remains you ARE a resident of Barrhill and your community needs you to step up to the mark. The BCIC needs your engagement and pro-activity if it is to survive.

Please consider any way you can to help the current Board of Directors make Barrhill a place to be proud of, and somewhere future generations will thrive and be happy.
