Welcome to the second Barrhill Christmas Craft Show!

We hope you will find some classes which set your creative juices flowing. It's time to get into the Christmas spirit!

The show is open to everyone to enter and you can enter as many classes as you like. It would be great to see what you can make and you might just win a prize. Of course Christmas is loved by children and there is plenty of choice of classes right from pre-school to age 16. Why not get your children or grandchildren busy on the long dark winter evenings creating some Christmas magic to share. There are Christmassy handicrafts and baking and why not gather a group of two to four friends or family together to enter a Christmas Day place setting? We will be welcoming a very special Christmas visitor to our show, Santa will be taking time out of his busy schedule to visit everyone at the show.

We look forward to seeing you on the day!
