Welcome to your new train timetable

We're building the best railway Scotland has ever had. The investment we are making now will transform Scotland's railway for years to come. We're introducing brand new electric trains, recreating an InterCity network with our high-speed trains, and upgrading many of our existing trains to make them as good as new. This will mean more seats, faster journeys, and even better services. We are also upgrading our stations, rolling out our queue-busting Smartcard, and transforming how we get information to our customers.

The 7,500 people across the ScotRail Alliance are working day and night to deliver this investment and build the best railway Scotland has ever had.

Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Smoking, including electronic cigarettes and vaporisers, is not permitted on ScotRail services or within station areas.

Delay Repay

You may be entitled to compensation if your journey has been delayed for 30 minutes or more. Please visit www.scotrail.co.uk for more information.
